**** **Please Note** **** There is no school for High School Students on Monday, January 30th because of a scheduled marking day for teachers. In the event school is cancelled during the exam period, the whole schedule simply moves forward and resumes on the day we return (i.e. If there was a storm day on Tuesday, January 24th and we returned to school on Wednesday, January 25th , Tuesday’s exams would be written on Wednesday and Tuesday January 31 would become the marking day.)
